

College & University Guide

It's been said that with college comes some of the best years of your life. But beyond the social life, football and basketball games, and sororities and fraternities, choosing the right college or university can be one of the most important decisions you will make. Whether you are looking for a private university with faith-based programs or a Division I school, a college education can broaden your horizons, prepare you

for success in the working world and teach you life lessons along the way.

In the following pages, you will find an extensive list of private and public colleges, universities and graduate programs in Texas. From tuition rates and enrollment, to application fees and room and board, these guides can get you started on the right path in your pursuit for higher education.

SCHOOL NAME	Undergraduate Enrollment	Application Fee	Annual Tuition/Fees	Per Credit Hour	Room/Board	Student/Teacher Ratio	Religious Affiliation
